Parents registering their own children:

Photo ID for all adults.

[Birth Certificates for all children](#)

Proof of ALL household income

Proof of ALL household expenses

*If you do not have income, you will need to provide the name of the person paying your bills, their relationship to you, and the number at which he/she can be reached.

Registering for someone else:

- Photo ID for yourself and the person you are registering

- Birth Certificates for all children

If you are registering for a family member, you must provide a notarized letter from the parent giving you permission to register for them with all the children's names listed. This letter must have your signature, the parent's signature, and the parent's phone number.

If the children live with you, you must have verification that the children live in your household and depend on you for their care and financial needs. Verification can be a copy of adoption papers, custody papers, or a notarized letter that you are responsible for the children.

Special Notes

Only children ages 12 and under may be registered for Angel Tree.
