You can do this.
And we can help!

We provide pregnancy and parenting information, education, and support to pregnant women, new parents, legal guardians, and their families for up to twelve months after the child's birth.

All services are confidential and provided FREE of charge for individuals of all races, religions, national origins, and marital statuses.

For more information or to speak with a Support Services Advocate, call

850-502-2870

Visit ccnwfl.org/ppss for program details.
